#### 3. Updates on the Senior Prevention Strategy Officer Search

Thank you to everyone who participated in the search process, attended sessions with candidates, and provided feedback. Amy Johnson is currently making the final decision, and the search committee will provide an update as soon as we are able.

#### 4. Discussion of Upcoming UNC Gender-Based Violence Prevention Advisory Group Transition

We discussed how LB Klein (chair) is graduating in May and the SPSO will be the new chair when they join. We discussed the importance of keeping the group small while also considering if there are experts on campus that we are missing.

#### **5. Discussion of Immediate Action Steps/Dissemination of Report**

We discussed our Fall 2020 report and the hiring of the new SPSO. The group asked that we request the Chancellor send out the report to the University when the new SPSO is announced to establish that the implementation of these recommendations remains a priority. The group also discussed the value in starting to explore infrastructural changes to set the SPSO up for success (e.g., establishment of a dashboard). The group also discussed the importance of engaging stakeholders implicated in the plan in further opportunities for discussion of the report and how their roles intersect with the SPSO position.

#### **6. What questions do we need answered to continue our work?**

- How will the report be shared publicly?
- How will the report be shared with key stakeholders?

#### **7. Next Steps**

- Next meeting: Monday, April 26 2-3:30pm
